ELGIN, OREGON 97827

July 19, 1977

The City of Elgin held a public hearing before the Budget Committee at 7:30 P. M. on July 19, 1977 in the City Hall to consider the possible uses of state revenue sharing funds.

There were three different uses of the funds discussed:

1. Rebuild building next to City Hall to house the new ambulance.
2. Funds to start truck by-pass route to alleviate traffic on down streets.
3. Improvement of City Park.

After discussing the three different uses for the funds, a motion was made by Jack Halsey, Budget Chairman and seconded by Budget Committee member, Kenneth Henry that the funds the City will receive from the state revenue sharing fund will be used to construct housing for the new ambulance. Motion carried.
